Uruguay Celebrates An Anniversary

Uruguayan Ambassador and Senora de Lacarte celebrated their country's 133rd anniversary yesterday with a party in the garden of the Woodland drive embassy.

The party was held outdoors despite the inclement weather thanks to the foresight of the Uruguayans in having a huge beige awning erected ahead of time.

Although the ground was somewhat damp, the awning had screened it from the worst of the downpour.

Roses, in several shades, ringed the edge of the garden and there were strings of red lights to add color to the festivity.

Buffet

Another attention-getter in the garden was the long buffet table, centered with a huge cake which bore on the top a frosted replica of the blue and white Uruguayan flag.

Small tables were scattered around the edge of the lawn.

Ambassador and Senora de Lacarte, who interrupted a Rehoboth Beach vacation to come back for the celebration—which marks the 133d year since Uruguay won its independence from Brazil—received their guests in the front entrance hall.

From there the guests slowly wended their way to the garden.

The Lacartes' attractive

daughter, Juliet, 17, wearing an aqua dress printed with pink roses, mingled with the guests. Mrs. Lacarte's dress was a black and red print, with full skirt.

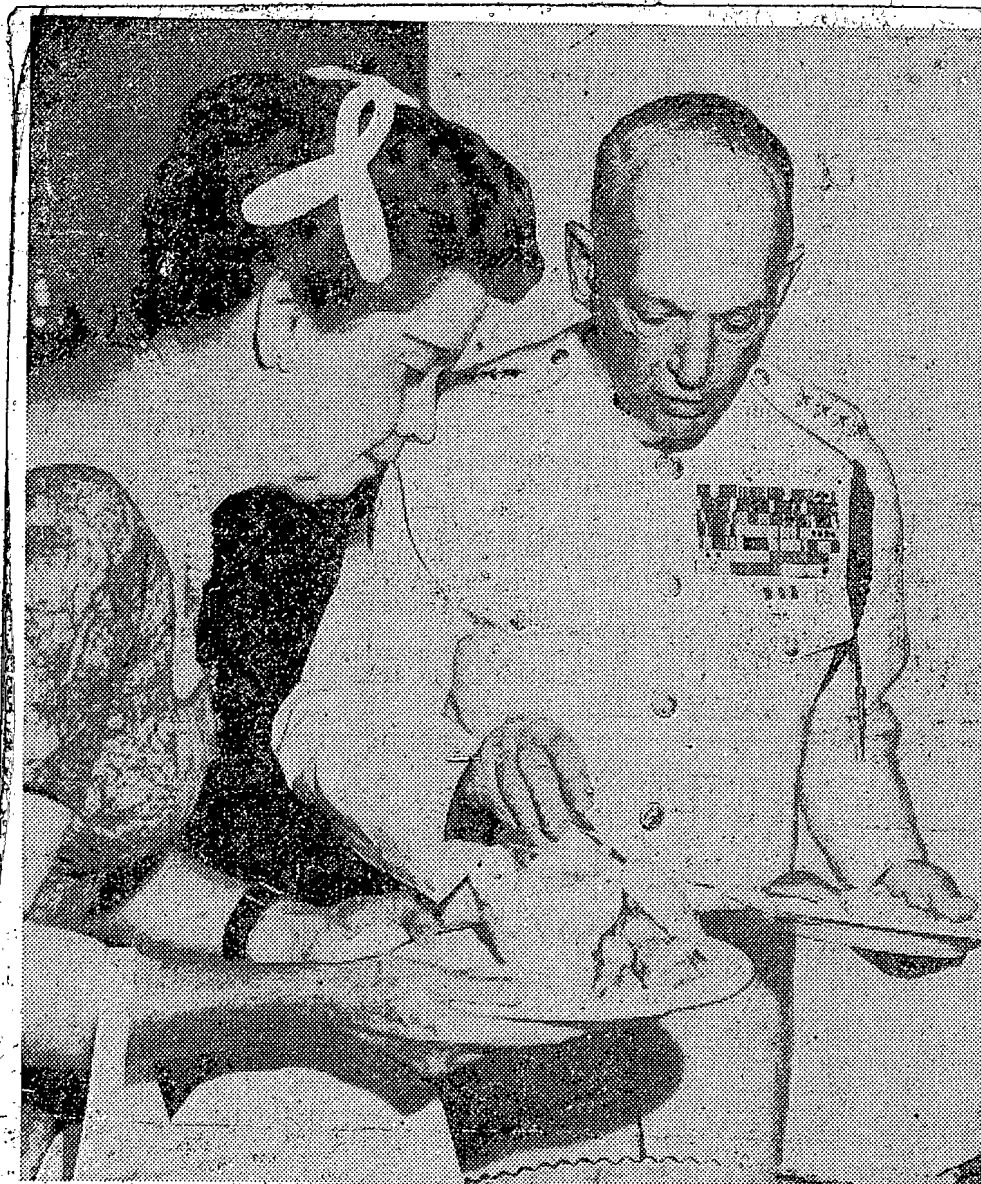

Ambassadors along Embassy Row were invited and many friends from official and residential Washington.

Officials Asked

Other guests asked included the Atomic Energy Commission Chairman and Mrs. John McCone, Deputy Assistant to the President and Mrs. Wilton Persons, Secretary to the Cabinet Robert K. Gray, and the Deputy Director of the Central Intelligence Agency, Lt. Gen. Charles A. Cabell, and Mrs. Cabell, Undersecretary of the Treasury and Mrs. Fred C. Scribner, jr., and Assistant Secretary of Defense and Mrs. Perkins McGuire.

Also invited were Undersecretary of Health, Education and Welfare Bertha Adkins, Chief of Protocol and Mrs. Wiley Buchanan, and Assistant Secretary of State for Economic Affairs and Mrs. Thomas Mann.

Others on the party guest list were the Director of the State Department's Office of South American Affairs and Mrs. Bernbaum, Assistant Secretary of State and Mrs. Francis Wilcox, and the President of the International Bank and Mrs. Eugene Black.
